Guidelines for Attendance at Mass 23. 7.21

As we move forward over the next few weeks, the guiding principle from the bishops, is to begin opening up as the government suggests, whilst at the same time ensuring that churches continue to be places where people feel safe to worship.

The survey at all the Masses last weekend revealed that the majority of parishioners would like to have a social distancing area available in each of the churches. From next Sunday, therefore, at the 5.30pm, 9.00am, 10.15am and 11.30am Masses, most of the church will be designated as an area of social distancing. There will be one sector left for non social distancing. The 6.00pm Mass will not have a social distancing area provided. As the architecture of each church is different, there will be an information sheet for each church available this weekend. Please be aware that the areas chosen for social distancing and non social distancing have been chosen carefully to ensure that the social distancing area is not compromised. This may mean that you may not be able to sit in an area of the church which you might have preferred. Please bear with us in this complicated time as we address these issues. Hopefully, it will not be too long now, before we can return to normal.

Here are the guidelines that we will be operating across all three churches from next weekend, 30th July/1st August.

- **YOU WILL NO LONGER BOOK TO COME TO MASS.** Each church has lists of names of those who have been attending and you will be ticked off the list when you arrive.
- If you are coming back to church for the first time, when you arrive, you will be asked to either register with the QR code or write your name and phone number on a slip of paper and place it in the box provided.
- When you arrive, you will be asked to wear a face mask in church (unless you are exempt), and you will be asked to sanitize your hands on entry.
- A steward will ask you if you wish to be socially distanced or not, and they will take you to the relevant area. In the socially distanced area, please fill from the front so that there are no gaps left in the pews that would mean someone would have to climb past you in the row.
- Members of the congregation are now permitted to sing if they are wearing a face mask.
- Readers no longer have to sanitise before they read but they can continue to do so if they wish.
- Stewards, Eucharistic Ministers and Servers will continue to wear face masks.
- Holy Communion is distributed differently in each church so please check the information sheet for your church. People in the non socially distanced areas will be able to process up to Holy communion in the normal way but please wait for a steward to call out your row so that there is no bunching together in the communion procession.
- Sanitiser will still be offered as you go up to Holy Communion, but this is totally voluntary, and is provided in case you sense that your hands may need cleaning after touching benches and handrails. Please ensure you have

rubbed your hands together well, so that they are dry before you receive the Blessed Sacrament. Please also ensure that you stretch out your hand as flat as possible.

- At the end of Mass you may stay behind to pray but please be conscious of others in your row who may want to leave. (Particularly if there is no other way out of the pew.)
- As you are leaving, please also ensure that you do not congregate within the church but go straight outside.

Specific Guidelines for attendance at St Peter & St Paul

- If you do not want to be socially distanced, you will be asked to sit in the main body of the church – sections A and C and you can sit where you like.
- If you would like to remain socially distanced, you will be led to The Lady Chapel or the Sacred Heart chapel. Please take a bench if you are a family or sit either side of the benches if you are a couple/single person.
- The collection will be at the front of church as it is now, and the second collection (if there is one) will be held by a steward in between the front and back door.
- Hymn books will be found at the end of each row, please return them to the end of the bench as you leave.
- At communion, the main body of the church will be led to communion by a steward (as we used to do pre COVID), and the Lady Chapel and Sacred Heart Chapel will have communion brought to them as we do currently.
- At the end of mass everyone in the Lady Chapel and the Sacred Heart chapel should leave by the back door (as we do currently). Everyone in the main body of the church should leave by the front door.

Let us keep on praying for one another and for those who are sick and those who care for them during this pandemic.
