11th Sunday in Ordinary Time (Year B)

Today is "Day for Life" when the Church raises awareness about the meaning and value of human life at every stage and in every condition. Please pick up leaflets in the porch for more information. The Church teaches that life is to be nurtured from conception to natural death. The proceeds of the second collection assists the work of the Anscombe Bioethics Centre and other life-related activities supported by the Church.

Joint Parish Pastoral Council There will be copies of the guidelines for the council available in the porch of each Church this weekend and on the website. For clarification: all those attending St Michael's can vote for candidates at either the 5.30pm or 11.30am Masses. The candidates will need to state which Mass they most often go to, because it is desirable that at each mass people will regularly see a council member they know. Remember please, send in your nominations by the end of this month. So far, we have had one nomination for St Michael's and one for St Bernadette's. Many thanks, Fr Mark
